**1ST TO COMPLETE EPIC5** - 5 Ironmans on 5 Hawaiian Islands in Under a Week

**TWO-TIME #1 BESTSELLING AUTHOR**

**ITUNES** - Top 100 podcast host

**IN DEMAND PUBLIC SPEAKER**

**Awarded the title as one of 2009's "25 Fittest Men in the World" by Men's Fitness**, Rich is one of the worlds most popular world-class ultra-endurance athletes, a widely regarded plant-based nutrition & wellness advocate, #1 bestselling author, in demand public speaker, iTunes top 100 podcast host, husband and father of 4.

**After a struggle with alcoholism and 20 year respite from competitive sports** since his days as a swimmer at Stanford University in the 1980's, in 2008 Rich adopted a plant-based diet, shed 50 pounds and launched a middle-aged assault on the Ultraman World Championships, an invitation-only, 3-day double-ironman circumnavigation on Hawaii's Big Island, widely considered to be one of the most daunting endurance challenges in the world.

**Ultraman is an invitation-only 3-day double ironman odyssey** circumnavigating the Big Island of Hawaii. Day 1 is a 6.2 mile swim followed by a 90 mile bike. Day 2 is a 170 mile bike. The event culminates with a 52.4 mile Day 3 run on the searing Kona lava fields.

**In 2009, at age 43 Rich clocked the fastest swim split by 10 minutes** (6th fastest of all time) and held his lead throughout the 90 mile bike to win Day 1 outright, topping the international pro field by 10 minutes. A jarring bike crash in the early part of Day 2 caused Rich to relinquish his lead and left him with an injured knee & immobile left shoulder. Nonetheless Rich completed the day and went on to run a 7:51 doublemarathon on Day 3 to finish as the fastest American and 6th place overall. His performance captured the attention of the world as an everyman hero and testament to the power of plant-based nutrition.

**In May 2010, Rich and fellow ultra-athlete Jason Lester succeeded in their EPIC5 quest** - an unprecedented feat of astounding endurance that encompassed completing 5 ironman distance triathlons on 5 separate islands of Hawaii in under 7 days. They are the first individuals to attempt, let alone achieve such a task.

**Rich recounts his story in his inspirational memoir *Finding Ultra: Rejecting Middle Age, Becoming one of the World's Fittest Men, and Discovering Myself*** (Crown / Random House). Hitting a zeitgeist nerve, the book rocketed to the top of the charts as an instant #1 bestseller. With over 500 5-star reviews on Amazon and foreign language versions published across the globe, the book continues to be a best seller five years since its release.

**In late 2012, Rich launched the wildly popular *Rich Roll Podcast*.**

Nominated for a 2013 Stitcher Award for Best Health & Lifestyle Podcast, this weekly long-form conversation with inspirational thought leaders in health, fitness & entrepreneurship boasts over 21 million downloads, 2000 5-star iTunes reviews and routinely finds itself in the top 100 of all podcasts on iTunes.

**In April 2015, Rich and his vegan chef wife Julie Piatt released their first cookbook, *The Plantpower Way***

(Avery / Penguin), a transformative lifestyle guide on the power of plant-based eating featuring a foreword by CNN's Sanjay Gupta, M.D. An instant bestseller, it's a plant-centric lifestyle primer that finally provides the modern family with a highly accessible roadmap to long-term wellness and vibrant body, mind, and spirit health.

**A highly-sought after public speaker,**

Rich has delivered his wildly inspirational keynote address to dozens of large corporate conference audiences, including **Goldman Sachs, Bloomberg, Genentech, Allianz, Zappos** and **Deloitte**. In addition, he has spoken at YPO chapters in Karachi, Bahrain, Beirut, Riyadh, Jeddah, Casablanca and Costa Rica.

**A social media influencer and regular contributor to a variety of publications both print and online,**

Rich has been featured on CNN and several documentaries, including *What The Health* and *Food Choices*. In addition, he has been profiled in a wide variety of print and online publications, including *The New York Times*, *Wall Street Journal*, *Outside*, *Men's Fitness*, *Los Angeles Times*, *Sunday Magazine*, *Men's Health Living*, *VegNews*, *Huffington Post*, and *Triathlete* and was honored at the COP16 United Nations Conference on Climate Change & Sustainability in Cancun, Mexico as a "Green Hero" and progressive example of healthy living.

**With a vast and highly engaged global following,**

Rich's "everyman" inspirational story of overcoming alcoholism and mid-life malaise to his current status as wellness thought leader and admired vegan athlete has inspired millions the world over.

# FINDING ULTRA

Over 500 ★★★★★ Reviews on Amazon

*Finding Ultra* is Rich Roll's incredible-but-true account of achieving one of the most awe-inspiring mid-life physical transformations ever.

**How many of us take up a sport at age 40 and compete for the title of the world's best within two years?** *Finding Ultra*

recounts Rich's remarkable journey from coach potato to the starting line of the elite Ultraman competition, a 320-mile ordeal of swimming, biking and running. And following that test, Rich conquered an even greater one: the Epic5 – five Ironman-distance triathlons, each on a different Hawaiian island, all completed in less than a week.

But *Finding Ultra* is much more than an edge-of-the-seat look at a series of jawdropping athletic feats — and much more than a practical training manual for those who would attempt a similar transformation. Yes, Rich's account rivets — and yes, it instructs, providing information that will be invaluable to anyone who wants to change their physique. But this book is most notable as a powerful testament to human resiliency, for, as we learn early on, Rich's childhood posed numerous physical and social challenges, and his early adulthood featured a fierce battle with alcoholism.

Ultimately, *Finding Ultra* is a beautifully written portrait of what willpower can accomplish. It challenges all of us to rethink what we're capable of, and urges us, implicitly and explicitly, to “go for it.”

# PRAISE FOR THE MEMOIR

**— JOHN BRENKUS**

# OUR PLANTPOWER WORLD

## **Twice a year, Rich and Julie take a select group of 40**

to exquisite, remote locations in Tuscany and Ireland (with more locations TBA) for an intensive and totally unique week of total life transformation designed to help attendees unlock and unleash their best, most authentic selves.

## **Over the course of the seven day retreat, Rich, Julie and special guests lead the group through intensive workshops**

on nutrition, fitness, relationships, mindfulness, Ayurveda and creativity. Activities include trail running, traditional Chinese tea ceremony, meditation, cooking, acupuncture, cupping and more, complete with a plant-based menu prepared by Rich and Julie customized to the specific region.

*“In addition to the massive value of the retreat, the key benefit has been the aftermath. In this period my wife and I have deeply experienced the love and support of Julie & Rich, as well as the Jai tribe community, which has led to several get-togethers and several creative outlets - including setting up a podcast and a venture into wellness events. When we signed up for the retreat we had no idea how much benefit it would bring.”*

**— ANDREW**

*“My son Reece was the youngest and I was the oldest in the group. It was an unforgettable experience which made me completely rethink many aspects of my lifestyle. A very loving, nurturing, and enlightening week in a magnificent setting. Rich and Julie are genuine, compassionate, generous, and very wise.”*
