RICH'S BIO

Awarded the title as one of 2009's "*25 Fittest Men in the World*" by MEN'S FITNESS MAGAZINE, Rich is one of the worlds most popular world-class ultra-endurance triathletes, a widely regarded plant-based nutrition & wellness advocate, writer, public speaker, podcast host, husband and father of 4.

After a struggle with alcoholism and 20 year respite from competitive sports since his days as a swimmer at Stanford University in the 1980's, in 2008 Rich adopted a plant-based diet, shed 50 pounds and launched a middle-aged assault on the Ultraman World Championships, one of the most daunting endurance races on in the world.

Ultraman is an invitation-only 3-day double ironman odyssey circumnavigating the Big Island of Hawaii. Day 1 is a 6.2 mile swim followed by a 90 mile bike. Day 2 is a 170 mile bike. The event culminates with a 52.4 mile Day 3 run on the searing Kona lava fields.

In 2009, at age 43 Rich clocked the fastest swim split by 10 minutes (6th fastest of all time) and held his lead throughout the 90 mile bike to win Day 1 outright, topping the international pro field by 10 minutes. A jarring bike crash in the early part of Day 2 caused Rich to relinquish his lead and left him with an injured knee & immobile left shoulder. Nonetheless Rich completed the day and went on to run a 7:51 double-marathon on Day 3 to finish as the fastest American and 6th place overall. His performance captured the attention of the world as an everyman hero and testament to the power of plant-based nutrition.

In May 2010, Rich and fellow ultra-athlete Jason Lester succeeded in their *EPIC5* quest - an unprecedented feat of astounding endurance that encompassed completing 5 ironman distance triathlons on 5 separate islands of Hawaii in under 7 days. They are the first individuals to attempt, let alone achieve such a task.

Rich recounts his story in his inspirational memoir *FINDING ULTRA* (Crown / Random House). Hitting a zeitgeist nerve, the book rocketed to the top of the charts as an instant #1 bestseller. With over 470 5-star reviews on Amazon and foreign language versions published across the globe, the book continues to hold a variety of top slots in various Amazon categories more than two years since its initial release.

In late 2012, Rich launched the wildly popular *RICH ROLL PODCAST*. Nominated for a 2013 Stitcher Award for Best Health & Lifestyle Podcast, this weekly long-form conversation with inspirational thought leaders in health, fitness & entrepreneurship boasts over 11 million downloads, 1,300+ 5-star iTunes reviews and routinely finds itself in the top 10 health / fitness podcasts on iTunes.

In April 2015, Rich and his vegan chef wife Julie released their first cookbook, *THE PLANTPOWER WAY* (Avery / Penguin), a transformative lifestyle guide on the power of plant-based eating featuring a foreword by CNN’s **Sanjay Gupta, M.D.** and 120 delicious and easy to prepare whole recipes, it’s a plant-centric lifestyle primer that finally provides the modern family with a highly accessible roadmap to long-term wellness and vibrant body, mind, and spirit health.

A highly-sought after public speaker, Rich has delivered his wildly inspirational keynote address to dozens of large corporate conference audiences across the globe, including YPO chapters in Karachi, Bahrain, Beirut, Riyadh, Jeddah, Casablanca and Costa Rica; Bloomberg in New York; and Zappos in Las Vegas.

An active blogger, social networker & regular contributor to a variety of publications both print and online, Rich has been featured on CNN and profiled in a wide variety of print and online publications, including Outside, Los Angeles Times Sunday Magazine, Men’s Health Living, VegNews, Huffington Post, Triathlete, 3/GO and Men’s Fitness and was honored at the COP16 United Nations Conference on Climate Change & Sustainability in Cancun, Mexico as a “Green Hero” and progressive example of healthy living.

With a vast global following larger than most professional athletes, Rich’s “everyman” inspirational story of overcoming mid-life malaise to his current status as one of the most admired ultra athletes as well as one of the most widely recognized & successful vegan athletes has inspired thousands of people the world over.

THE PLANTPOWER WAY

“This is not your typical recipe book. It is a book about hope, and the universally shared belief that any one of us can be better... You will not find better guides in that quest.”

FOREWORD BY DR. SANJAY GUPTA

The Plantpower Way shares the joy and vibrant health they and their whole family have experienced living a plant-based lifestyle. Bursting with inspiration, practical guidance, and beautiful four-color photography, *The Plantpower Way* has more than 120 delicious, easy-to-prepare whole food recipes, including hearty breakfasts, lunches, and dinners, plus healthful and delicious smoothies and juices, and decadent desserts.

But beyond the plate, at its core, *The Plantpower Way* is a plant-centric lifestyle primer that finally provides the modern family with a highly accessible roadmap to long-term wellness and vibrant body, mind, and spirit health. *The Plantpower Way* is better than a diet: It's a celebration of a delicious, simple, and sustainable lifestyle that will give families across the country a new perspective and path to living their best life.

“The world’s longest-lived people overwhelmingly eat plant-based diets. Their secret: making plant foods delicious. **The Plantpower Way** embodies that secret...”

FINDING ULTRA

FINDING ULTRA is Rich Roll's incredible—but-true account of achieving one of the most awe-inspiring mid-life physical transformations ever.

How many of us take up a sport at age 40 and compete for the title of the world's best within two years? *Finding Ultra* recounts Rich's remarkable journey from coach potato to the starting line of the elite Ultraman competition, a 320-mile ordeal of swimming, biking and running. And following that test, Rich conquered an even greater one: the Epic5 – five Ironman-distance triathlons, each on a different Hawaiian island, all completed in less than a week.

But *Finding Ultra* is much more than an edge-of-the-seat look at a series of jawdropping athletic feats — and much more than a practical training manual

for those who would attempt a similar transformation. Yes, Rich's account rivets — and yes, it instructs, providing information that will be invaluable to anyone who wants to change their physique. But this book is most notable as a powerful testament to human resiliency, for, as we learn early on, Rich's childhood posed numerous physical and social challenges, and his early adulthood featured a fierce battle with alcoholism.

Ultimately, *Finding Ultra* is a beautifully written portrait of what willpower can accomplish. It challenges all of us to rethink what we're capable of, and urges us, implicitly and explicitly, to “go for it.”
